

**3rd STATEMENT / COMMUNIQUÉ FROM THE ORGANIZING COMMITTEE OF THE XXXII INTERNATIONAL CONGRESS OF AELFA-IF AND V CONGRESS OF THE COL·LEGI DE LOGOPEDES DE CATALUNYA, BARCELONA 2020.**

Barcelona, 25 March 2020

Dear Congressmen,

First of all, we hope that you and your families are in good health.

After evaluating all the data provided by the Ministry of Health in relation to the pandemic by COVID-19, the Organising Committee of the Barcelona 2020 Congress announces that **the date of the XXXII International Congress of AELFA-IF and V Congress of the Col·legi de Logopedes de Catalunya has been postponed for one year**. Finally, the Congress will be held on **July 1, 2 and 3, 2021** in Barcelona, maintaining, as far as possible, the planned program.

Of course, the payments made will be returned to the people who have formalised their registration, hoping to be able to count on their interest and participation again next year.

Postponing the congress for a year has not been an easy decision to make by the Organizing Committee, after all the effort invested in the organization of this congress, but we are sure that you understand, from a professional, scientific and human point of view, all the variables that have led us to take it.

We thank you for your interest, your commitment to the Congress and your collaboration in these moments of establishing additional measures and we ask you to remain attentive to the communications of the Congress through our official channels.

Receive an affectionate greeting and our best wishes,

**Lidia Rodríguez & Mireia Sala**
